**HopeStrong Release Time Bible Education** is an opportunity for Circleville City School students in 9th-12th grade. HopeStrong Bible Education is a non denominational and interdenominational Bible education class offered at no cost to students. Volunteers from area churches work together to present solid Bible education classes to students. Bible classes are offered during the school day with parent consent, are located off school property, and are funded by the local community. Students are released to leave school, for about one hour, one day a week. Classes are offered during non-instructional times in the school day. Transportation is provided by HopeStrong and trained volunteers accompany students from the school building to a nearby location for a Bible class. Volunteers go through an extensive approval and training process, have background checks, and are committed to ensuring child welfare and safety during program times.

**Program Details:** Students will be transported by HopeStrong vans/buses to the HopeStrong Tiger site located at 400 Nicholas Drive, Circleville, Ohio.

**HopeStrong High School Class will meet on Wednesdays from 10:13 am -11:14am**

Students may bring a lunch from home or the school. HopeStrong will provide drinks, snacks and some light lunch items for students.

If your child is interested in participating in HopeStrong Bible Education, please complete and return this parent consent form to your child’s school office. Program participation may be limited by available classroom space. Classes begin the week of September 11th, 2024. Students may enroll anytime during the year.

### Parent Consent Form

I, the undersigned parent/guardian of the Student listed below, give permission for the student listed below to attend HopeStrong Released Time Bible Education. Students are responsible for any school assignments missed during released time classes. I may revoke consent for my student to attend the program at any time; and the program may remove any student from the program for disciplinary concerns. I understand that volunteers and program administrators are trained to report child abuse, neglect and concerns about self harm. There may be occasions when class times vary from the approximate times provided above. At times, video or photos may be taken during class or special events, and I give permission to Nicholas Drive Church, HopeStrong, and the state and national released time Bible education organizations with which HopeStrong is affiliated (School Ministries Ohio and School Ministries, Inc.) permission to use and publish, without charge, photographs or videos of my student. I ask my student’s school to provide a copy of my student’s emergency medical card to HopeStrong Pickaway, so that information is readily available in case of an emergency. I understand this parent consent is valid for the 2024-2025 school year or until revoked by me. I affirm that I am the parent or legal guardian of the Student listed and I have legal authority to provide this consent.
